

# GRATEFUL: A LOVE SONG TO THE WORLD

Lyrics by and courtesy of Nimo Patel and Daniel Nahmod, [Empty Hands Music](#)

## VERSE 1

You're my life  
You're my breath  
You're a smile  
You're my guest  
You're the earth  
You're the sun  
You're the grass  
You are love  
You're my hands  
You're a bug  
You're my eyes  
You're a hug  
You're the light  
In the dark  
You're the spark  
You are fun  
You're my mom  
You are water  
You're the stars  
You're my daughter  
You're my friend  
Till the end  
You're my dreams  
You're my father  
You're the ants on the ground  
The miracles that surround  
I'm feelin' it all around  
The hemisphere and the clouds  
You're my pain you're my sorrow  
You're my hope for tomorrow  
You're the strength when I'm hollow  
You're the path that I follow  
You're the blessings that exist

The small things that are bliss  
The gift to realize that  
Everything is a gift

## CHORUS

All that I am  
All that I see  
All that I've been and all that I'll ever be  
Is a blessing  
It's so amazing  
And I'm grateful for it all, for it all

## VERSE 2

You're the blessings  
Every time I try to count,  
You're the lessons  
That I learn  
Every time I turn around,  
You're the water when I'm burned  
Every time I think I've found  
Everything I'm looking for,  
You're the sign sayin'  
Stop to take a bow  
And keep moving forward  
And start looking towards your heart,  
it'll open all the doors  
And only then you'll start  
To hear the world sing in chorus  
With your mind and heart  
Aligned in purpose  
Everything will feel gorgeous

## CHORUS

All that I am  
All that I see  
All that I've been and all that I'll ever be  
Is a blessing  
It's so amazing  
And I'm grateful for it all, for it all

## BREAKDOWN 1

Everyday I sit and pray  
Cuz what I have is  
More than I deserve  
Or could ever imagine  
How do I give back  
To all of this magic  
And spread the love  
So everybody can have it  
Doesn't matter if I'm rich or poor  
If I gotta family or if I'm all alone  
Bad things happen I can just complain  
and moan  
But there's a million things that I can be  
grateful for

## BREAKDOWN 2

So I lift up my hands now  
And I open my heart  
And my gratitude goes out  
To everything near and far

## FINAL CHORUS

Everything I am  
And everything I see  
Everything I hope  
And everything I dream  
Everything I feel  
And everything I be  
I look deep down  
And feel all the blessings  
I'm grateful for it all  
It's amazing  
All that I am  
All that I see  
All that I've been and all that I'll ever be  
Is a blessing  
It's so amazing  
And I'm grateful for it all, for it all

You're the blessings that exist  
The small things that are bliss  
The gift to realize that  
Everything is a gift
