

Gratitude Interview Questions

My class is doing interviews about gratitude. Can you think of someone in your life that you are grateful to?

Who is that person?

Can you tell me a story of what this person did that you were grateful for?

Why do you think this person did this?

Can you describe how the person's words or actions affected you?

Did you have a chance to express your gratitude to this person? If so, what did you say or do to show your gratitude?

If you could talk to that person right now, what would you say?
