GRATEFUL: A LOVE SONG TO THE WORLD

by Nimo Patel and Daniel Nahmod

Verse 1:

You're my life,

You're my breath,

You're a smile

You're my guest

You're the earth

You're the sun

You're the grass

You are love

You're my hands

You're a bug

You're my eyes

You're a hug

You're the light

In the dark

You're the spark

You are fun

You're my mom

You are water

You're the stars

You're my daughter
You're my friend
Till the end
You're my dreams
You're my father
You're the ants on the ground
The miracles that surround
I'm feelin' it all around
The hemisphere and the clouds
You're my pain you're my sorrow
You're my hope for tomorrow
You're the strength when I'm hollow
You're the path that I follow
You're the blessings that exist
The small things that are bliss
The gift to realize that
Everything is a gift

Chorus:

All that I am
All that I see
All that I've been and all that I'll ever be
Is a blessing
It's so amazing
And I'm grateful for it all, for it all

Verse 2:

You're the blessings
Every time I try to count,

You're the lessons
That I learn
Every time I turn around,
You're the water when I'm burned
Every time I think I've found
Everything I'm looking for,
You're the sign sayin'
Stop to take a bow
And keep moving forward
And start looking towards your heart,
it'll open all the doors
And only then you'll start
To hear the world sing in chorus
With your mind and heart
Aligned in purpose
Everything will feel gorgeous

Chorus:

All that I am
All that I see
All that I've been and all that I'll ever be
Is a blessing
It's so amazing
And I'm grateful for it all, for it all

Breakdown 1:

Everyday I sit and pray
Cuz what I have is
More than I deserve

Or could ever imagine
How do I give back
To all of this magic
And spread the love
So everybody can have it
Doesn't matter if I'm rich or poor
If I gotta family or if I'm all alone
Bad things happen I can just complain
and moan
But there's a million things that I can be
grateful for

Breakdown 2:

So I lift up my hands now
And I open my heart
And my gratitude goes out
To everything near and far

Final Chorus:

Everything I am
And everything I see
Everything I hope
And everything I dream
Everything I feel
And everything I be
I look deep down
And feel all the blessings
I'm grateful for it all
It's amazing

All that I am

All that I see

All that I've been and all that I'll ever be

Is a blessing

It's so amazing

And I'm grateful for it all, for it all

You're the blessings that exist

The small things that are bliss

The gift to realize that

Everything is a gift
