

MOD 2.3 The Questions of Belonging: Interventions to Help Students Feel Like They Belong

TAKE IT DEEPER: The Questions of Belonging

Read the article, "[The Many Questions of Belonging](#)" before answering the questions below.

What are 2-3 interventions/approaches you will focus on adopting or reinforcing in your classroom or school to increase students' sense of belonging?

How can you measure the success of those interventions?

What specific method(s) will you use to continue gathering and seeking understanding of your students' questions of belonging?
